LICENSURE Kentucky License #32666
Georgia License # 62103
Indiana License # 01045836A
Florida License

CERTIFICATION Diplomate of the American Board of Plastic Surgery 03-27-99
Diplomat of the American Board of Surgery 06-05-95, expired
Kentucky State Medical Board 1997
National Board of Medical Examiners 1990

FELLOWSHIP

July 1996-January 1997

Aesthetic Surgery / Reconstructive and Aesthetic Breast Surgery
Aesthetic and Reconstructive Institute at Baptist Hospital
Nashville, Tennessee
Director: G. Patrick Maxwell, M.D.

RESIDENCIES

1994-1996 Plastic and Reconstructive Surgery
University of Southern California
Los Angeles, California
Division Chief: Randy Sherman, M.D.

1989-1994 General Surgery
University of Southern California
Los Angeles, California
Chairman: Thomas R. DeMeester, M.D.

Organizations

American College of Surgeons Southern California Chapter
USC House Officers' Association
Joint Council of Interns and Residents
Patient Care Fund Committee

MEDICAL SCHOOL

1985-1989 Doctor of Medicine
Indiana University School of Medicine
Indianapolis, Indiana

Honors Alpha Omega Alpha
Lila B. Loudon Memorial Scholarship
E.D. Johns Fellowship Scholarship

Activities American Medical Student Association
Indiana Chapter Vice-President
AIDS Education with State Board of Health
Blood Pressure Screening Training Program

UNDERGRADUATE

1981-1985 Bachelor of Science, Biology-Chemistry
Manchester College
North Manchester, Indiana

Honors Summa Cum Laude - Valedictorian
Manchester Scholar
Manchester Dean's List
The National Dean's List
Holl Memorial Scholarship for Chemistry

Activities Manchester Activities Council - President
American Chemical Society
Residence Hall Association
Student Alumni Association
Student Orientation Leader
Manchester High School Gymnastics' Coach
Indiana H.S. Athletic Association Gymnastics' Official
United States Gymnastics Federation Gymnastics' Official

Practicums Medical interim with Dr. David Haines
Medical practicum in Dominican Republic

HIGH SCHOOL

1977-1981 Wawasee High School
Syracuse, Indiana

Honors Valedictorian
National Honor Society - President

PROFESSIONAL MEMBERSHIPS

American Society for Aesthetic Plastic Surgery
International Society for Aesthetic Plastic Surgery
American Society of Plastic Surgeons
American College of Surgeons – Fellow
Florida Society of Plastic Surgeons
New York Regional Society of Plastic Surgeons
Southeastern Society of Plastic Surgeons
Alpha Omega Alpha Honor Society
Kentucky Medical Association
Greater Louisville Medical Society
Kentucky Society of Plastic Surgeons
LAC-USC Society of Graduate Surgeons

COMMITTEE MEMBERSHIPS

Jewish Hospital Surgical Services Committee - 2001-2004
Jewish Hospital Emergency Room Committee – 2000
Alliant Health System Cancer Committee - 1998
Caritas Medical Center Breast Cancer Task Force – 1998

TEACHING AFFILIATION

Gratis Clinical Faculty Member,
Division of Plastic and Reconstructive Surgery,
Department of Surgery, University of Louisville,
Louisville, Kentucky

Clinical Faculty Member
Department of Plastic Surgery, University of Kentucky,
Lexington, Kentucky

CALOAESTHETICS

FELLOWSHIP

Director, CaloAesthetics Aesthetic Surgery Fellowship
ASAPS-endorsed, One-year term, Post-PS Residency

Recipient, Mark A. Codner Aesthetic Fellowship Scholarship
2020-2021, 2021-2022

**PHI AESTHETICS ACADEMY AMERICAN/MEXICAN
INTERNATIONAL FELLOWSHIP PROGRAM**

Gustavo Jiminez and Menoz Ledo, Directors of Academic Program
Participating, 2024-Present

AESTHETIC SOCIETY

Board of Directors, The Aesthetic Society, 2022-Present
Vice-Chair Education, The Aesthetic Society, 2025-Present.
Blue Sky Ideation Workgroup, The Aesthetic Society, 2025-Present.
Aesthetic Society, Symposium Committee, 2024- Present.
Aesthetic Society , AlliedPro Committee, 2024-present
Aesthetic Society, Industry Support Committee, 2024-present
Aesthetic Society, Education Re-Imagined Committee, 2024-Present
Education Library Task Force, The Aesthetic Society, 2023-Present
Aesthetic Society, Aesthetic One Committee 2023-Present
Audience/Educational Expansion Task Force 2023-Present
Aesthetic Society Mentor Program 2022-Present
Aesthetic Society Traveling Professor, 2015-2022
Chair, Breast Emergency Response WorkGroup 2022-Present
Chair, Aesthetic Society BIA-ALCL Comm. 2018-2022
Chair, Aesthetic Society Endorsed Fellowship C 2022-Present
Chair, Aesthetic Society Fellowship Task Force 2023
Aesthetic Society Endorsed Fellowship Committee 2020-2022
Aesthetic Society IDEA committee – 2021 -2022
Aesthetic Society BII committee– 2020 -2022
Aesthetic Society Ask the Expert 2020-2022
Aesthetic Society Informed Consent Task Force 2019-2022
ALCL Patient Assistance Fund Task Force Member- 2017-2018

ASERF

ASERF - President's Circle
ASERF BIA-ALCL Patient Assistant Fund and Mollenkopf
Breast Reconstruction Fund Review Committee
ASERF Information Technology Task Force 2020-current

ASPS

Task Force ASPS Representative, ACAPS Resident Education 2023-present
(Amanda Gossman)
BIA-ALCL, committee member 2018-present
Breast: Aesthetic Subcommittee – Vice Chair of the Annual Meeting, Educational
Program Committee 2021
Breast: Aesthetic Subcommittee – Chair of the Annual Meeting, Educational
Program Committee 2022 (upcoming)

SESPRS

Southeastern Society of PS, Traveling Professor 2021-2022

QuadA

Non-Surgical Program Task Force, 2024-present

EDITORIAL BOARD

Editorial Board Member, Clinical Editor 2020-2025
Aesthetic Surgery Journal

AWARDS

Best Journal Article – 2018 Aesthetic Surgery Journal. *Long-Term Safety of Textured and Smooth Silicone Implants*, Calobrace MB, Schwartz MR, Zeidler KR, Pitman TA, Cohen R, Stevens WG., January 2018.

Scott Spear Award (First Annual) – Best Breast Presentation at the Aesthetic Meeting 2018., Presented at the Aesthetic Meeting 2019, ASAPS Annual Meeting, New Orleans, Louisiana, May 20, 2019.

Gratis Clinical Faculty Teaching Award, Univ. of Louisville, Louisville, Kentucky 2019, 2016, 2015, 2014, 2011, 2007

CORPORATE TEACHING & CONSULTANT AFFILIATIONS (past and present)

Revance, Consultant Guru, Speaker (2020-2021)
 Revelle, Aveli Speakers' Bureau (2023-present)
 SIA, Speaker (DuraSorb) (2020-present)
 Allergan Speakers' Bureau, Speaker (2020-present)
 Allergan, Breast Advisory Board (2021) Allergan, Facial Aesthetics Advisory Board (2020-present) Galatea, Speaker (present)
 The Plastic Surgery Channel (present)
 Speaker, Sientra Corporation (present)
 Medical Advisory Board, Sientra (present)
 The Mid-Face Filler Advisory Board, Galderma (past)
 MemoryShape Launch Faculty, Mentor Corporation (past)
 Faculty member, ZO Skincare with Dr. Zein Obagi (past)
 Speaker, Mentor Paragon Forum/ Master Series (past)
 Member, Mentor Education Council (past)
 Allergan Medical Facial Aesthetics Speakers Bureau (past)
 Moderator, Allergan Academy Local Round Table (past)
 Luminary, Physician Partner, Syneron (past)
 National Education Faculty, Allergan (past)
 Juvaderm Roundtable Consultant, Allergan (past)
 Allergan Academy Faculty, Allergan (past)
 Training Consultant for Dysport, Medicis Aesthetics (past)
 Certified Faculty Speaker on Injectables, CME Scholar (past)
 Medical Aesthetics Advisory Council, Allergan (past)

HOSPITAL/ SURGICAL CENTER AFFILIATIONS

CaloAesthetics Plastic Surgery Center
 Jewish Hospital Downtown and Medical Center East

RESEARCH

Areas of Interest

Breast Surgery and Implants, BIA-ALCL, Practice Development

Awards

Summer Research Stipend Recipient 1986
Groves-Hardiman Scholarship for Research 1986 Indiana Medical Association
Scientific Exhibit for Research - 1st Place

SCIENTIFIC PRESENTATIONS

Neosubpectoral Pockets (Gunn S, Mizuguchi N, Calobrace MB) Presented by Stephen Gunn at the 2015 Kentucky Society of Plastic Surgery Meeting, Louisville, Kentucky, August, 2015

High Volume Ultrasound Assisted Lipoplasty. Presented at the Annual Meeting of the American Society for Aesthetic Plastic Surgery, New York, NY, May 7, 1997.

Total Correction of Pectus Excavatum Chest Wall and Breast Deformities in Teenage Females. Presented at the Southern California Chapter of the American College of Surgeons, Santa Barbara, CA, January 19-21, 1996, and Plastic Surgery Senior Residents Conference, Dallas, TX, April 10-14, 1996.

Calvarial Deformity and Remodeling Following Prolonged Scalp Expansion in a Child. Presented at the Southern California Chapter of the American College of Surgeons, Santa Barbara, CA, January 19-21, 1996.

Endoscopic Lower Lid Fat Removal. Presented at the Lipoplasty Society's Thirteenth Annual Scientific Program preceding the ASPRS annual meeting, Montreal, Canada, October 6-7, 1995.

Mesh Reinforcement Increases Bursting Strength of Intestinal Anastomoses in Steroid-treated Rabbits. Presented at the Southern California Chapter of the American College of Surgeons, January 21-23, 1994.

The Effects of Polyglycolic Acid Mesh Reinforcement on Small Intestinal Anastomoses in Protein-malnourished Rabbits. Presented at the 35th World Congress of International Society of Surgery Meeting, Hong Kong, August 22-27, 1993.

Epidermal Lipids and the Natural History of Hydrofluoric Acid (HF) Injury. Presented at the 25th Annual Meeting of the American Burn Association, March 24-27, 1993.

POSTER PRESENTATIONS

Schulz S, **Calobrace MB.** Secondary Augmentation Mastopexy: Review of 7 years of Consecutive Cases. Poster Presentation at the American Society of Plastic Surgeons Annual Meeting, October 16-20, 2015.

Raboff W, **Calobrace MB**, Anthony G, Garner D, Greenwald D, Noonan T, Brant A, Hopkins B, Soonthon V, Hofstetter W, LaBree L, Chandrasoma PSilberman H. Mesh Reinforcement Increases Bursting Strength of Intestinal Anastomoses in Steroid-treated Rabbits. Poster at the American College of Surgeons (October 1993) and The Southwest Surgical Congress (May 1993).

Calobrace MB, McAteer JA, Tanner GA, Evan AP. An In Vitro Model of Renal Cyst Growth. Poster at the 138th Annual Meeting of the Indiana State Medical Association (November 1, 1987)

MEETINGS /LECTURES

Demystifying the Subfascial Breast Pocket. SESPRS Annual Meeting, Palm Beach, Florida, June 18, 2025.

Ozempic Breast. Beauty Through Science, Stockholm, Sweden, June 14, 2025.

Look-Live Surgery: Explantation with Mastopexy, Auto-augmentation and Fat Grafting, Stockholm, Sweden, June 14, 2025

Pocket Decisions with Different Implant Surfaces and Fat Grafting Techniques. Beauty Through Science, Stockholm, Sweden, June 13, 2025

Optimizing Outcomes in Body Contouring with Hyperbaric Oxygen and other Adjunctive Treatments. Beauty Through Science, Stockholm, Sweden June 12, 2025.

BTS Cup, Management of a Tricky Problem, Stockholm, Sweden, June 12, 2025.

Graft Without Fat: Alloclae!! TD-ABS The Meeting 2025, Miami, Florida, May 17, 2025.

Augmentation Mastopexy with New Generation Implants. TD-ABS The Meeting 2025, Miami, Florida, May 17, 2025.

Alloclae and Viality – A Bright Future in Fat Grafting. Miami Society of Plastic Surgeons Meeting (Virtual), April 16, 2025.

Augmentation Mastopexy: Evolving Techniques - Subfascial Augmentation Mastopexy with Soft Tissue Support. Aesthetic Society Masterclass Webinar Series, Virtual, May 3, 2025.

Secondary Mastopexy (2-Hour Course with Simeon Wall MD). Aesthetic MEET 2025, Austin, Texas, March 23, 2025.

Evolving Your Business- Creating Financial Security in Uncertain Times. Aesthetic MEET 2025, Austin, Texas, March 23, 2025.

Secondary Mastopexy. Calobrace MB, Hall-Findlay E. Instructional Course (2 hours) The Annual Meeting 2018, ASAPS, , New York, New York, April 27, 2018.

Current Approach and Implant Selection in Simultaneous Augmentation Mastopexy. Annual Meeting of the Minnesota Society of Plastic Surgeons, Minneapolis, Minnesota, April 21, 2018.

Creating a Comprehensive Plastic Surgery Practice. Annual Meeting of the Minnesota Society of Plastic Surgeons, Minneapolis, Minnesota, April 21, 2018.

Markings and Preoperative Planning in Breast Augmentation – First Tier Decision Making. ASAPS Visiting Professor, Mayo School of Medicine and University of Minnesota, Minneapolis, Minnesota, April 21, 2018.

Preoperative Planning and Implant Selection in Breast Augmentation – Second Tier Decision Making. . ASAPS Visiting Professor, Mayo School of Medicine and University of Minnesota, Minneapolis, Minnesota, April 21, 2018.

Current Approach and Implant Selection in Simultaneous Augmentation Mastopexy. 57th Annual Meeting of the Midwestern Association of Plastic Surgeons, Chicago, Illinois, April 14, 2018.

Prevention and Management of Capsular Contracture. 57th Annual Meeting of the Midwestern Association of Plastic Surgeons, Chicago, Illinois, April 14, 2018.

Current Approach and Implant Selection in Simultaneous Augmentation Mastopexy. 56th Annual Scientific Meeting of the Northwest Society of Plastic Surgeons, Honolulu, Hawaii, February 21, 2018.

Safety of Textured and Smooth Silicone Implants. 56th Annual Scientific Meeting of the Northwest Society of Plastic Surgeons, Honolulu, Hawaii, February 19, 2018.

Periareolar Augmentation Mastopexy: Pitfalls and Pearls. Thirty-Fourth Annual Atlanta Breast Symposium, Atlanta, Georgia, January 20, 2018.

Textured Implants: Navigating the ALCL Waters. Thirty-Fourth Annual Atlanta Breast Symposium, Atlanta, Georgia, January 20, 2018.

Implant/Expander?ADM/Prepectoral Reconstruction (Panel Moderator). Thirty-Fourth Annual Atlanta Breast Symposium, Atlanta, Georgia, January 19, 2018.

Mastering Augmentation Mastopexy: Preoperative Assessment and Surgical Approach, Master Course, HACAPA-ASAPS Aesthetic Surgery Congress, Shanghai, China, December 8, 2017.

A Logical and Sequential Approach to Achieving Beautiful, Preditable and Stable Outcomes in Mastopexy Augmentation. Aesthetic Breast Surgery Panel, HACAPA-ASAPS Aesthetic Surgery Congress, Shanghai, China, December 9, 2017.

Dealing with the Unhappy Patient: Good and Bad Results (Yours or a Colleague's) Revisions, Fees, Lawsuits, Negative Internet Postings. (Panel) The Aston Baker Cutting Edge Aesthetic Surgery Symposium, New York City, New York, December 2, 2017.

Mastopexy with Auto-augmentation and Fat Grafting. The Aston Baker Cutting Edge Aesthetic Surgery Symposium, New York City, New York, December 1, 2017.

Management of Animation Deformities. The Aston Baker Cutting Edge Aesthetic Surgery Symposium, New York City, New York, December 1, 2017.

Establishing a Non-surgical Center to Compliment Your Practice. The Aston Baker Cutting Edge Aesthetic Surgery Symposium, New York City, New York, December 1, 2017.

Decision Making and Complications in Breast Augmentation and Mastopexy. (Panel) The Aston Baker Cutting Edge Aesthetic Surgery Symposium, New York City, New York, December 1, 2017.

Complications and Limitations of New Devices (Panel). The Aston Baker Cutting Edge Aesthetic Surgery Symposium, New York City, New York, December 1, 2017.

Limitations on Lipoaspirates When Performing Excisional Procedures. (Debate Panel) ASAPS Breast and Body Contouring, San Francisco, California, October 20, 2017.

Out of the box Procedures to Enhance Contouring: Take It or Leave it in 8 Minutes: Alternates to Midline Plication, Reverse Abdominoplasty, Fleur de Lys, Autologous Augmentation –When and Where – Buttocks and Breast, Abdominal Etching. (Analyst) ASAPS Breast and Body Contouring, San Francisco, California, October 20, 2017.

Technical Precision Points – Contouring – Quick Hits: What Should You Take Home and Do? Experienced Insights ASAPS Breast and Body Contouring, San Francisco, California, October 20, 2017.

Fat Transfer to Buttocks: Safety and Efficiency. (Panel) Experienced Insights ASAPS Breast and Body Contouring, San Francisco, California, October 20, 2017.

Combined Australia/US Insight Panel: BIA-ALCL – World Experience: What's Important to Know for MDs and Patients. (US Panel) Experienced Insights ASAPS Breast and Body Contouring, San Francisco, California,

October 19, 2017.

When do You Pull the Trigger on Support/Coverage Products in Secondary Breast Implant Surgery? (Debate Panel) Experienced Insights ASAPs Breast and Body Contouring, San Francisco, California, October 19, 2017.

Achieving the Holy Grail: Long Term Upper Pole Fullness. Experienced Insights ASAPs Breast and Body Contouring, San Francisco, California, October 19, 2017.

My Preferred Incision for Breast Augmentation and Why? Experienced Insights ASAPs Breast and Body Contouring, San Francisco, California, October 19, 2017.

Re-operative Breast Surgery: 10 Things I do to Prevent Implant Based Complications. Experienced Insights ASAPs Breast and Body Contouring, San Francisco, California, October 19, 2017.

The Future of Fat Grafting (Panel). Experienced Insights ASAPs Breast and Body Contouring, San Francisco, California, October 19, 2017.

Combined Australian/US Insight Panel: Debating the Surgical Details: Who's Right? 7 Lectures:

1. Anatomic vs Round
2. Textured vs Smooth
3. Cohesive Gel vs Form Stable
4. Sizers
5. Breast Pocket Irrigation
6. Insertion Sleeves
7. Is There an Indication for Saline Implants?

Experienced Insights ASAPs Breast and Body Contouring, San Francisco, California, October 19, 2017.

Surgical Approach to Simultaneous Augmentation Mastopexy (Surgery Video Presentation), Canadian Society of Aesthetic Plastic Surgeons' Annual Meeting, Toronto, Canada, October 14, 2017.

Achieving Predictable and Stable Results in Primary and Secondary Mastopexy, Canadian Society of Aesthetic Plastic Surgeons' Annual Meeting, Toronto, Canada, October 13, 2017.

Vertical Mastopexy with Lower Island Flap Auto-Augmentation and Fat Grafting (Surgery Video Presentation), Canadian Society of Aesthetic Plastic Surgeons' Annual Meeting, Toronto, Canada, October 13, 2017.

Tuberous Breast Deformity, Moderator of Panel at the American Society of Plastic Surgeons' Annual Meeting, Orlando, Florida, October 9, 2017.

Preoperative Planning, Markings and Technique in Augmentation Mastopexy, Presented at the American Society of Plastic Surgeons' Annual Meeting, Orlando, Florida, October 9, 2017.

Etiology, Prevention and Management of Capsular Contractures, Presented at the American Society of Plastic Surgeons' Annual Meeting, Orlando, Florida, October 8, 2017.

Pros and Cons of Textured Round and Shaped Implants in Primary and Secondary Aesthetic Breast Surgery Restoration. ASAPS Visiting Professor, Los Angeles, California, September 22, 2017.

The Business of Plastic Surgery: Creating a Comprehensive Center (3 hour Course) ASAPS Visiting Professor, University of Southern California, September 21, 2017.

Mastering Augmentation Mastopexy: Preoperative Assessment and Surgical Approach, ASAPS Visiting Professor, University of Southern California, September 21, 2017.

Textured vs Smooth Implants in Breast Augmentation. Dueling Perspectives with Elizabeth Hall-Findlay. Presented at the ASPS Breast & Body Contouring Symposium, San Diego, California, August 11, 2017.

The Business of Private Practice Plastic Surgery and Breast Surgery. Presented at the ASPS Breast & Body Contouring Symposium, San Diego, California, August 11, 2017.

How I Do It: Planning and Operative Technique for Mastopexies by the Masters. Presented at the ASPS Breast & Body Contouring Symposium, San Diego, California, August 10, 2017.

Case-Based Panel: Management of Complex Aesthetic Breast Problems. Presented at the ASPS Breast & Body Contouring Symposium, San Diego, California, August 10, 2017.

Implant Options (Texture, Shaped) in Breast Augmentation. . Presented at the ASPS Breast & Body Contouring Symposium, San Diego, California, August 10, 2017.

The Etiology, Prevention and Management of Complications in Breast Augmentation. Resident and Fellows Instructional Course (one hour). California Society of Plastic Surgeons Annual Meeting, ASAPS Visiting Professor, San Francisco, California, May 28, 2017.

The Business of Plastic Surgery: Are you In it to Win, Or in it Not to Lose? Resident and Fellows Instructional Course (one hour). California Society of Plastic Surgeons Annual Meeting, ASAPS Visiting Professor, San Francisco, California, May 28, 2017.

Current Concepts and Approaches in Simultaneous Augmentation Mastopexy: Instructional Course (2 hours). California Society of Plastic Surgeons Annual Meeting, ASAPS Visiting Professor, San Francisco, California, May 27, 2017.

Pros and Cons of Textured Round and Shaped Implants in Primary and Secondary Aesthetic Breast Surgery Restoration. Presented at the California Society of Plastic Surgeons Annual Meeting, ASAPS Visiting Professor, San Francisco, California, May 27, 2017.

Capsular Contracture: Etiology, Prevention and Management. Presented at the South Carolina Society of Plastic Surgeons' Annual Meeting, ASAPS Visiting Professor, May 13, 2017.

Mastering Augmentation Mastopexy: Preoperative Evaluation, Surgical Approach and Implant Selection. Presented at the South Carolina Society of Plastic Surgeons' Annual Meeting, ASAPS Visiting Professor, May 13, 2017.

Difficulties in Primary and Revisional Aesthetic Breast Surgery, Calobrace MB, Wall S. Instructional Course (2 hours) Presented at the American Society of Aesthetic Plastic Surgery Annual Meeting, San Diego, California, May 1, 2017.

Secondary Mastopexy. Calobrace MB, Hall-Findlay E. Boardroom Roundtable Instructional Course (2 hours) American Society of Aesthetic Plastic Surgery Annual Meeting, Las Vegas, Nevada, April 28, 2017.

Augmentation Mastopexy Panel (Discussant). American Society of Aesthetic Plastic Surgery Annual Meeting, April 29, 2017.

Hot Topics: Current Controversies in Breast Implants. Panel Discussant, American Society of Aesthetic Plastic Surgery Annual Meeting, April 28, 2017.

The Business of Plastic Surgery: Are You In It To Win, Or Are You In It Not To Lose? Presented at the 2017 Congress of the Association of Specialists in Plastic and Aesthetic Surgery of Quebec, Montreal, Canada, February 18, 2017.

Etiology and Management of the Troublesome Double-Bubble Deformity.. Presented at the 2017 Congress of the Association of Specialists in Plastic and Aesthetic Surgery of Quebec, Montreal, Canada, February 17, 2017.

Current Concepts and Approaches in Simultaneous Augmentation and Mastopexy. Presented at the 2017 Congress of the Association of Specialists in Plastic and Aesthetic Surgery of Quebec, Montreal, Canada, February 17, 2017.

Periareolar Mastopexy with Textured Implants – Long Term Results. Presented at the 51st Annual Baker Gordon Educational Symposium, Miami, Florida, February 11, 2017.

Panel Discussion: Alternative in Mastopexy Augmentation. Presented at the 51st Annual Baker Gordon Educational Symposium, Miami, Florida, February 11, 2017.

The Role of Textured Implants and the Dual-Plane in Breast Augmentation. Presented at the 51st Annual Baker Gordon Educational Symposium, Miami, Florida, February 10, 2017.

Panel Discussion: Clarifying Options in Breast Augmentation. Presented at the 51st Annual Baker Gordon Educational Symposium, Miami, Florida, February 10, 2017.

Primary Augmentation Mastopexy (One-hour Interactive Video Presentation). Presented at the 51st Annual Baker Gordon Educational Symposium, Miami, Florida, February 10, 2017.

Prevention and Management of Capsular Contracture. Presented at the Thirty-Third Annual Breast Surgery Symposium, Atlanta, Georgia, January 21, 2017.

Sequential and Logical Approach to Augmentation Mastopexy. Presented at the Thirty-Third Annual Breast Surgery Symposium, Atlanta, Georgia, January 21, 2017.

Secondary Augmentation Mastopexy: Why I would choose to Use Smooth vs Textured Implants. Presented at the Thirty-Third Annual Breast Surgery Symposium, Atlanta, Georgia, January 21, 2017.

Current Concepts and Approaches in Primary and Secondary Augmentation Mastopexy. ASAPS Visiting Professor. Presented at the Northwell Health Plastic Surgery Grand Rounds, Long Island, New York, November 16, 2016.

Mastopexy: Utilizing New Techniques and Technology. (Two-hour Course with Dennis Hammond, MD, and Michael Schwartz, MD) Presented at the American Society of Plastic Surgeons' Annual Meeting: Plastic Surgery The Meeting, Los Angeles, California, September 25, 2016.

Size, Texture, Shape: Implants in Augmentation Mastopexy. Presented at the ASPS Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 25, 2016.

Shaped vs Round Implants in Augmentation (Dueling Perspectives) Presented at the ASPS Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 26, 2016.

Refining Augmentation-Mastopexy Technique. (One hour Course) Presented at the ASPS Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 26, 2016.

Size, Texture, Shape: Implants in Augmentation Mastopexy. Presented at the ASPS Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 25, 2016.

Preoperative Planning and Implant Selection in Breast Augmentation: Second Tier Decision Making. Presented at the ASPS Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 25, 2016.

Marking and Preoperative Planning in Breast Augmentation: First Tier Decision Making. Presented at the ASPS Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 25, 2016.

Managing Chest Wall and Breast Asymmetries in Aesthetic Breast Surgery, ASPS Aesthetic 2016 Super Symposium, Washington D.C., June 25, 2016.

Dueling Perspectives: Preoperative Assessment and Pedicle Selection for Reduction Mammoplasty (Moderator), ASPS Aesthetic 2016 Super Symposium, Washington D.C., June 25, 2016.

The Troublesome Double Bubble: Etiology and Management, ASPS Aesthetic 2016 Super Symposium, Washington D.C., June 24, 2016.

Augmentation Mastopexy: When to Consider One Stage?, ASPS Aesthetic 2016 Super Symposium, Washington D.C., June 24, 2016.

Popcorn Capsulorraphy in Revisional Breast Surgery, ASPS Aesthetic 2016 Super Symposium, Washington D.C., June 24, 2016.

Practice Management: Optimizing Surgical Conversion Rates (Moderator), ASPS Aesthetic 2016 Super Symposium, Washington D.C., June 23, 2016.

The BodyLogic Method, ASPS Aesthetic 2016 Super Symposium, Washington D.C., June 23, 2016.

Animation Deformity: What Works and What Doesn't?, ASPS Aesthetic 2016 Super Symposium, Washington D.C., June 23, 2016.

Personal Approach to Facial Rejuvenation. Presented at the 46th Annual Aesthetic Plastic Surgery Symposium, Toronto, Canada, April 16, 2016.

Preventing and Managing Primary Drivers of Breast Augmentation Complications. Presented at the 46th Annual Aesthetic Plastic Surgery Symposium, Toronto, Canada, April 15, 2016.

Secondary Augmentation-Mastopexy: Surgical Approach and Review of 200 Consecutive Cases. The University of Toronto Aesthetic Lecture. Presented at the 46th Annual Aesthetic Plastic Surgery Symposium, Toronto, Canada, April 15, 2016.

Pearls for Creating a Comprehensive Plastic Surgery Practice. Presented at the 46th Annual Aesthetic Plastic Surgery Symposium, Toronto, Canada, April 15, 2016.

Primary Breast Augmentation. Presented at the 16th Annual Toronto Breast Surgery Symposium, Toronto, Canada, April 14, 2016.

Algorithm for Pocket Selection and Soft Tissue Support in Revision Breast Surgery. Presented at the 16th Annual Toronto Breast Surgery Symposium, Toronto, Canada, April 14, 2016.

Managing Chest Wall and Breast Asymmetries in Aesthetic Breast Surgery. The ASAPS Visiting Professor Lecture. Presented at the 16th Annual Toronto Breast Surgery Symposium, Toronto, Canada, April 14, 2016.

Capsular Contracture: Prevention and Treatment. Presented at the 16th Annual Toronto Breast Surgery Symposium, Toronto, Canada, April 14, 2016.

What I Don't Do Anymore and Why. Presented at the 16th Annual Toronto Breast Surgery Symposium, Toronto, Canada, April 14, 2016.

Secondary Mastopexy. Calobrace MB, Hall-Findlay E. Boardroom Roundtable Instructional Course (1 hours) Presented at the American Society of Aesthetic Plastic Surgery Annual Meeting, Las Vegas, Nevada, April 5, 2016.

Panel – What are We Trying to Achieve with Non-surgical Volume? Calobrace MB, Kenkel J, Clark C, Hirmand H, Lorenc ZP, Magnusson M, Walden J, Stevens G, Wallach S. Presented at American Society of Aesthetic Plastic Surgery Annual Meeting, Las Vegas, Nevada, April 4, 2016.

Difficulties in Primary and Revisional Aesthetic Breast Surgery, Calobrace MB, Wall S. Instructional Course (2 hours) Presented at the American Society of Aesthetic Plastic Surgery Annual Meeting, Las Vegas, Nevada, April 4, 2016.

Algorithm and Technique for Pocket Control with and without Soft Tissue Support in Revisional Breast Surgery. Presented at the Mountain West Society Plastic Surgery 1st Annual Scientific Meeting, Winter Park, Colorado, March 5, 2016.

Mastering Breast Augmentation Mastopexy. Presented at the Mountain West Society Plastic Surgery 1st Annual Scientific Meeting, Winter Park, Colorado, March 4, 2016.

Challenging Cases: Planning and Execution. Presented at the 19th Annual Dallas Cosmetic Surgery Symposium, Dallas, Texas, March 2, 2016.

Tackling the Challenges of Revisionary Breast Surgery: What the Best Evidence Based Medicine Shows for the Management of Capsular Contracture.. Presented at the 19th Annual Dallas Cosmetic Surgery Symposium, Dallas, Texas, March 2, 2016.

Mastering Augmentation Mastopexy: The Best Evidence Based Medicine for Predictable Good Results. Presented at the 19th Annual Dallas Cosmetic Surgery Symposium, Dallas, Texas, March 2, 2016.

Current Approach to Implant Selection – 5 Key Points to Success. Presented at the 19th Annual Dallas Cosmetic Surgery Symposium, Dallas, Texas, March 2, 2016.

Algorithm and Technique for Pocket Control with and without Soft Tissue Support in Revisional Breast Surgery. Presented at the Thirty-second Annual Atlanta Breast Symposium, Atlanta, Georgia, January 23, 2016.

Optimizing Results with the Dual Plane Approach with Textured Round and Shaped Implants. Presented at the Thirty-second Annual Atlanta Breast Symposium, Atlanta, Georgia, January 23, 2016.

Simultaneous Augmentation Mastopexy with Textured Implants. Presented at the Thirty-second Annual Atlanta Breast Symposium, Atlanta, Georgia, January 23, 2016.

Secondary Augmentation Mastopexy in Revisional Breast Surgery: A Review of 200 Consecutive Patients. Presented at the Thirty-second Annual Atlanta Breast Symposium, Atlanta, Georgia, January 24, 2016.

All Seasons Vertical Augmentation / Mastopexy . (Two hour instructional course with Eric Swanson, MD) Presented at the American Society of Plastic Surgeons' Annual Meeting, Plastic Surgery The Meeting, Boston, Massachusetts, October 19, 2015.

Shaped Implants. (One hour instructional course) Presented at the American Society of Plastic Surgeons' Annual Meeting, Plastic Surgery The Meeting, Boston, Massachusetts, October 19, 2015.

Capsular Contracture: Management of an Established Contracture. Panel on Current Controversies with Breast Implants. Presented at the American Society of Plastic Surgeons' Annual Meeting, Plastic Surgery The Meeting, Boston, Massachusetts, October 18, 2015.

Mastering Augmentation Mastopexy: Preoperative Evaluation And Surgical Approach. Presented at the Georgetown University Grand Rounds, Washington D.C., September 24, 2015.

Periareolar Augmentation Mastopexy. Presented at the Georgetown University Grand Rounds, Washington D.C., September 24, 2015.

Preventing and Managing Major Drivers of Complications in Breast Augmentation . Presented at the Georgetown University Grand Rounds, Washington D.C., September 24, 2015.

Incorporating Textured Round and Shaped Implants into your Breast Augmentation Practice. Presented at the Georgetown University Grand Rounds, Washington D.C., September 24, 2015.

Evolving Approach in Augmentation Mastopexy with New Implant Options. Presented at the Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 27, 2015.

Breast Augmentation in Women with Breast and Chest Wall Asymmetry. . Presented at the Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 27, 2015.

Incisional Approaches in Primary Breast Augmentation. Presented at the Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 27, 2015.

Mastering Augmentation Mastopexy: Preoperative Assessment and Surgical Approach. (One hour Instructional Course). . Presented at the Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 27, 2015.

Hot Topics: Old English Debate – Nurse Injector vs. MD-Only Injector Model. Calobrace MB, Gryskiewicz J, Presented at the American Society of Aesthetic Plastic Surgery Annual Meeting, Montreal, Canada, May 19, 2015.

Algorithm for Pocket Control and Soft Tissue Support in Revisional Breast Surgery. Presented at the American Society of Aesthetic Plastic Surgery Annual Meeting, Montreal, Canada, May 18, 2015.

Difficulties in Primary and Revisional Aesthetic Breast Surgery, Calobrace MB, Wall S. Instructional Course (2 hours) Presented at the American Society of Aesthetic Plastic Surgery Annual Meeting, Montreal, Canada, May 17, 2015.

Hot Topics: Teoxane Skincare Line. Presented at the American Society of Aesthetic Plastic Surgery Annual Meeting, Montreal, Canada, May 16, 2015.

Dueling Perspectives : Access Incisions for Breast Augmentation- Which Approach is Best? (Moderator). ASPS Aesthetica 2015 Super Symposium, Las Vegas, Nevada, April 30, 2015.

Dueling Perspectives : Breast Implants for Augmentation – Do Surface Characteristics and Device Location Matter? (Moderator). ASPS Aesthetica 2015 Super Symposium, Las Vegas, Nevada, April 30, 2015.

Animation Deformity: What Works and What Doesn't. Presented at ASPS Aesthetica 2015 Super Symposium, Las Vegas, Nevada, April 30, 2015.

The Troublesome Double-bubble: Pitfalls in Management. Presented at ASPS Aesthetica 2015 Super Symposium, Las Vegas, Nevada, April 30, 2015

Creating a Comprehensive Plastic Surgery Practice (Including a Surgical Center, Day Spa, and Medical Spa). Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 22, 2015.

Marketing 101: Creating Your Brand in Plastic Surgery! Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 22, 2015.

The Business of Plastic Surgery – Are you in it to Win or are you in it not to Lose? Presented at the 19th Advanced

Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 21, 2015.

Secondary Mastopexy in Revisional Breast Surgery. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 21, 2015.

Management of Tuberous Breast Deformity. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 21, 2015.

Identifying and Managing Breast and Chest Wall Asymmetries in Aesthetic Breast Surgery. Presented at the 19th Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 21, 2015.

Safe and Effective Approach to Simultaneous Augmentation Mastopexy. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Periareolar (Circumareolar) Mastopexy: Indications and Surgical Technique. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Nonsurgical and Surgical Management of Capsular Contracture. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Etiology of Capsular Contracture. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Implant Malposition: A Focus on Cause and Surgical Management. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Avoiding Implant Malposition in Breast Surgery.. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Predictive Approach in Breast Augmentation (Identifying and Managing Challenging Cases). Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Pocket Control in Revisional Aesthetic Breast Surgery (Capsulorrhaphy/Neosubpectoral Pocket/ADM Placement). Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Pocket Selection in Revisional (Secondary) Aesthetic Breast Surgery. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

The US Experience in Breast Augmentation: Smooth vs Textured, Round vs Shaped. Presented at the 19th Advanced

Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Demystifying the Dual Plane: Preferred Approach in Augmentation and Augmentation Mastopexy. Presented at the 19th Advanced Aesthetic Plastic Surgery Workshop, Melbourne, Australia, February 20, 2015.

Demystifying the Dual Plane in Breast Augmentation. Presented at the Thirty-first Annual Atlanta Breast Surgery Symposium, Atlanta, Georgia, January 25, 2015.

Evolving Consideration in Simultaneous Augmentation Mastopexy. Presented at the Thirty-first Annual Atlanta Breast Surgery Symposium, Atlanta, Georgia, January 24, 2015.

Three Unique Breast Implant Textures: The Pros and Cons. Presented at the Thirty-first Annual Atlanta Breast Surgery Symposium, Atlanta, Georgia, January 24, 2015.

Drivers of Revisions in Breast Augmentation and How to Avoid And Manage them. Presented as a Webinar Conference for the Aesthetic Immersion Module, American Society of Aesthetic Plastic Surgery, December 11, 2014.

Pocket Decisions and Control in Aesthetic Breast Surgery. . Presented at the Illinois Society of Plastic Surgeons' Meeting, Chicago, Illinois, November 7, 2014

Simultaneous Augmentation Mastopexy. Presented at the Illinois Society of Plastic Surgeons' Meeting, Chicago, Illinois, November 7, 2014

Revisional Breast Surgery. AIM (Aesthetic Immersion Module) Breast Webinar presented by the American Society of Aesthetic Plastic Surgery, October 29, 2014

The When, Why and How of Incorporating Textured Implants in Your Breast Practice. . Presented at the North Carolina Society of Plastic Surgeons' Annual Scientific Meeting, Asheville, North Carolina, October 18, 2014.

Managing Difficult Revision Breast Surgery (Panel).. Presented at the North Carolina Society of Plastic Surgeons' Annual Scientific Meeting, Asheville, North Carolina, October 18, 2014.

Revisional Breast Surgery: Capsulorrhaphy Versus Neosubpectoral Pocket. Presented at the North Carolina Society of Plastic Surgeons' Annual Scientific Meeting, Asheville, North Carolina, October 18, 2014.

A Safe Surgical Approach to Simultaneous Augmentation Mastopexy. Presented at the North Carolina Society of Plastic Surgeons' Annual Scientific Meeting, Asheville, North Carolina, October 17, 2014.

Managing Difficult Problems in Breast Augmentation. Calobrace MB, Wall, S. Instructional Course (1 hr). Presented at the American Society of Plastic

Surgeons Annual Meeting, Plastic Surgery The Meeting, Chicago, Illinois, October 12, 2014.

Augmentation Mastopexy Using Implants. Mini Symposium: Breast Reduction/Mastopexy Part 2, - Reshaping the Ptotic Breast: Five Experts, Five Approaches. Presented at the American Society of Plastic Surgeons' Annual Meeting, Plastic Surgery The Meeting, Chicago, Illinois, October 13, 2014.

Complication in Breast Augmentation: Prevention and Management. Calobrace MB, Bengston B, Cohen R. Instructional Course (2 hours) Presented at the American Society of Plastic Surgeons Annual Meeting, Plastic Surgery The Meeting, Chicago, Illinois, October 13, 2014

Breast Aesthetic Panel. Presented at the 2014 Kentucky Society of Plastic Surgery Annual Meeting, Louisville, Kentucky, September 16, 2014.

Live Patient Markings of Augmentation Mastopexy. Presented at the Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 9, 2014.

Current Concepts and Approach in Simultaneous Augmentation Mastopexy. Presented at the Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 7, 2014.

Demystifying the Dual Plane in Breast Augmentation. Presented at the Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 7, 2014.

The When, Why and How of Incorporating Textured Implants into your Cosmetic Breast Surgery Practice. (Instructional Course). . Presented at the Breast Surgery & Body Contouring Symposium, Santa Fe, New Mexico, August 7, 2014.

The United States Experience: Evolution of Implant Choices. Point Counter Point with Dr. Sampos Goes. Presented at the Annual Meeting of the American Society of Plastic Surgery, San Francisco, California, April 27, 2014.

The Move to Textured Cohesive Breast Implants: Presented at the Broward County Society of Plastic Surgeons Meeting, March 21, 2014.

The Move to Textured Cohesive Breast Implants: Presented at the Miami Society of Plastic Surgeons Meeting, March 20, 2014.

Surgical Approach to Simultaneous Augmentation Mastopexy: Presented at the Thirtieth Annual Breast Surgery Symposium, Atlanta, Georgia, February 1, 2014.

Revision Breast Surgery: Capsulorrhaphy vs Neosubpectoral Pocket. Presented at the Thirtieth Annual Breast Surgery Symposium, Atlanta, Georgia, January 31, 2014.

Demystifying the Dual Plane: Application in Primary Augmentation . Presented at the Thirtieth Annual Breast Surgery Symposium, Atlanta, Georgia, January 31, 2014.

A More Cohesive Look at Round Implants: Making a Move to Textured Round Devices. Presented at the Sientra Educational Program at the American Society of Plastic Surgeons' Meeting, October 13, 2013.

Breast Augmentation Surgical Technique: IMF Approach (Video Lecture). Presented at the American Society of Plastic Surgeons' Plastic Surgery: The Meeting, San Diego, California, October 13, 2013.

Update on Newly FDA approved Shaped Breast Implants. Presented at the 2013 Kentucky Society of Plastic Surgery Annual Meeting, Louisville, Kentucky, September 11, 2013..

Practice Development and Branding: Presented at the Fifty-Sixth Annual Meeting of the Ohio Valley Plastic Surgeons, Indianapolis, Indiana, May 13, 2013.

Avoiding Rippling and Malposition Deformities during Primary Augmentation Thereby Avoiding Revision Surgery: Twenty-Ninth Annual Breast Surgery Symposium, Atlanta, Georgia, January 12, 2013.

Improving Outcomes and Minimizing Reoperations in Breast Augmentation Surgeries: Avoiding Implant Malposition: Presented at the American Society of Plastic Surgeons Annual Meeting, New Orleans, Louisiana, October 27, 2012.

Pocket Control in Revisional Breast Surgery: Presented at the Twenty-Eighth Annual Breast Surgery Symposium, Atlanta, Georgia, January 15, 2012.

Surgical Approach to Simultaneous Augmentation Mastopexy: Presented at the Twenty-Eighth Annual Breast Surgery Symposium, Atlanta, Georgia, January 14, 2012.

The Predictive Approach: Understanding and Avoiding Pitfalls in Breast Augmentation: Presented at the Twenty-Eighth Annual Breast Surgery Symposium, Atlanta, Georgia, January 14, 2012.

Revisional Breast Surgery: Capsulorraphy versus Neopectoral Pocket: Presented at the Twenty-Seventh Annual Breast Surgery Symposium, Atlanta, Georgia, January 16, 2011.

Five Year Experience with Simultaneous Augmentation Mastopexy: Presented at the Twenty-Seventh Annual Breast Surgery Symposium, Atlanta, Georgia, January 15, 2011.

The Power of Capsulorraphy: Presented at the Twenty-Fifth Annual Breast Surgery Symposium, Atlanta, Georgia, January 16, 2009.

Simultaneous Augmentation Mastopexy. Presented at the Twenty-Fifth Annual Breast Surgery Symposium, Atlanta, Georgia, January 15, 2009.

Predictive Approach to Augmentation Mammoplasty. Presented at the Twenty-Fifth Annual Breast Surgery Symposium, Atlanta, Georgia, January 15, 2009.

UAL Physical Principles and Instrumentation Overview. Presented at Ultrasound-Assisted Lipoplasty Task Force Regional Course, Nashville, Tennessee, November 14, 1998.

UAL: General Principles, Basic Physics and Instrumentation. Presented at the Curso Taller Internacional Cirugia Estetica del Contorno Corporal, Guadalajara, Jalisco Mexico, June 17-20, 1998.

UAL: Avoiding Complications and Optimizing Results. Presented at the Curso Taller Internacional Cirugia Estetica del Contorno Corporal, Guadalajara, Jalisco Mexico, June 17-20, 1998.

Avoiding Complications with UAL. Presented at Regional Conference, Los Angeles, California, May 1, 1998.

Physical Principles and Instrumentation Overview in UAL. Presented at Ultrasound-Assisted Liposuction Task Force Regional Course, Nashville, Tennessee, April 18, 1998.

UAL Technique / Video. Presented at Ultrasound-Assisted Liposuction Task Force Regional Course, Nashville, Tennessee, April 18, 1998.

UAL Clinical and Research Data. Presented at Ultrasound-Assisted Lipoplasty Task Force Regional Course, Park City, Utah, February 28, 1998.

Treatment of Gynecomastia with UAL. Presented at the Evolving Practice Conference III, Nashville, Tennessee, November 8, 1997.

Periareolar Approach to Breast Surgery. Presented at the Evolving Practice Conference III, Nashville, Tennessee, November 8, 1997.

Breast Reconstruction, Actual View. Presented at the 2nd International Symposium of Aesthetic and Reconstructive Breast Surgery and Ultrasound-Assisted Lipoplasty, Mexico City, Mexico, October 30, 1997.

UAL: Surgical Technique, Clinical Aspects, Avoiding Complications, and Optimizing Results. Presented at the 2nd International Symposium of Aesthetic and Reconstructive Breast Surgery and Ultrasound-Assisted Lipoplasty, Mexico City, Mexico, October 29, 1997.

UAL Physical Principles and Instrumentation Overview. Presented at Ultrasound-Assisted Lipoplasty Task Force Regional Course, Nashville, Tennessee, October 11, 1997.

Basic Principles and Instrumentation of Ultrasound-Assisted Lipoplasty. Presented at the Ultrasound-Assisted Lipoplasty Task Force Regional Course, New York, New York, September 6, 1997.

Ultrasound-Assisted Liposuction. Visiting Professor Lecture at Grand Rapids Plastic Surgery Program, Grand Rapids, Michigan, August 20, 1997.

High Volume Ultrasound Assisted Lipoplasty. Presented at the Breast Surgery and Body Contouring Symposium in the 90's meeting, Santa Fe, New Mexico, August 15, 1997.

Avoiding Complications with UAL. Presented at the Ultrasound-Assisted Lipoplasty Task Force Regional Course, Nashville, Tennessee, July 12, 1997.

Basic Instrumentation in UAL. Presented at the Ultrasound-Assisted Lipoplasty Task Force Regional Meeting, Nashville, Tennessee, July 12, 1997.

Laboratory Session on Emerging Technology: Ultrasonic-Assisted Liposuction. Presented at the 48th Annual Meeting of the Ohio Valley Society for Plastic and Reconstructive Surgery, Indianapolis, Indiana, June 8, 1997.

Ultrasonic-Assisted Liposuction. Presented at the 48th Annual Meeting of the Ohio Valley Society for Plastic and Reconstructive Surgery, Indianapolis, Indiana, June 7, 1997.

Basic Science of Ultrasound-Assisted Lipoplasty. Presented at the International Ultrasound-Assisted Lipoplasty Training Course, Nashville, Tennessee, May 31, 1997.

Anatomy and Biology of Adipose Tissue. Presented at the International Ultrasound Assisted Lipoplasty Training Course, Nashville, Tennessee, May 31, 1997.

Basic Science of Ultrasound-Assisted Lipoplasty. Presented at the Ultrasound-Assisted Lipoplasty Task Force Regional Course, Nashville, Tennessee, April 12, 1997.

Basic Science of Ultrasound-Assisted Lipoplasty. Presented at the Ultrasound-Assisted Lipoplasty Task Force Regional Course, Nashville, Tennessee, February 15, 1997.

Basic Science of Ultrasound-Assisted Lipoplasty. Presented at the Baptist Institute Instructional Course on Ultrasound-Assisted Lipoplasty, Nashville, Tennessee, January 28, 1997.

Anatomy and Biology of Adipose Tissue. Presented at the Baptist Institute Instructional Course on Ultrasound-Assisted Lipoplasty, Nashville, Tennessee, January 28, 1997.

Basic Science of Ultrasound-Assisted Lipoplasty. Presented at the Baptist Institute Instructional Course on UAL, Nashville, Tennessee, December 10, 1996.

Local/Regional

Breast Augmentation and Mastopexy. Presented at the University of Louisville Department of Surgery, Division of Plastic Surgery Grand Rounds, Louisville, Kentucky, August 10, 2016.

Difficulties in Primary Breast Augmentation. Presented at the University of Kentucky Plastic Surgery Grand Rounds, Lexington, Kentucky, May 13, 2015.

Post-partum Rejuvenation. Mothers of Twins Organization, Calospa, October 29, 2009.

Body Contouring. Presented at Norton Hospital Operating Room Continuing Education, Norton Pavilion Hospital, January 20, 2003.

Liposuction and Body Contouring. Presented at the Norton Pavilion Nursing Seminar, Norton Pavilion Hospital, February 10, 2003.

Body Contouring. Presented at the Plastic Surgery Nursing Seminar, Jewish Hospital, September 30, 2002.

Mastopexy and the Treatment of Breast Ptosis. University of Louisville Department of Surgery, Division of Plastic Surgery Grand Rounds, October 24, 2001.

Beyond Skin and Hair - Beauty for the New Millennium. Continuing education program (CME 6 hours) for Kentucky Cosmetologists Association, Louisville, Kentucky, June 4, 2001.

Post-Partum Rejuvenation. Presented at the Jewish Hospital “Advances in Aesthetic and Plastic Surgery”, April 16, 2001.

Hair Transplantation and Post-partum Rejuvenation. Presented at the Jewish Hospital “Advances in Aesthetic and Plastic Surgery” November 6, 2000.

Post-Partum Rejuvenation. Presented at the Jewish Hospital “Advances in Aesthetic and Plastic Surgery”, April 10, 2000.

Beyond Skin and Hair - Beauty for the New Millennium. Continuing education program (CME 6 hours) for Kentucky Cosmetologists Association, Louisville, Kentucky, March 20, 2000.

Breast Surgery Update. Presented at the University of Louisville Department of Family and Community Medicine Grand Rounds, Louisville, Kentucky, March 3, 2000.

Beyond Skin and Hair - Beauty for the New Millennium. Continuing education program (CME 6 hours) for Kentucky Cosmetologists Association, Louisville, Kentucky, April 12, 1999.

Laser Hair Removal. Presented at the American Society of Plastic and Reconstructive Surgery Nurses chapter meeting, Louisville, Kentucky, February 17, 1999

Options in Breast Reconstruction. Presented at the Norton Hospital Cancer Resource Center Lunch and Learn Seminar Series, Louisville, Kentucky, October 23, 1998.

Hair Transplant and Skincare. Presented at the National Cosmetologists Association of Kentucky Kec Fall Expo, Louisville, Kentucky, October 18, 1998.

Innovations in Plastic Surgery. Presented at the Alliant Health System Physicians' Resource Network Meeting, Louisville, Kentucky, March 11, 1998.

Breast Reconstruction. Presented at the Surgical Update in '98 Sponsored by The Association of Surgical Technologists of Louisville Chapter #5 and Baptist East Hospital, Louisville, Kentucky, March 7, 1998.

What's New In Plastic Surgery? Presented at the Bonair Library Lecture Series, Louisville, Kentucky, January 27, 1998.

Options In Breast Reconstruction. Presented at the Floyd County Breast Cancer Support Group Meeting, January 8, 1998.

Chest Wall Reconstruction. Presented at the University of Louisville Plastic Surgery Grand Rounds, December 5, 1997.

Ultrasonic-Assisted Lipoplasty: Fact or Fancy? Presented at the 1997 Kentucky Society of Plastic and Reconstructive Surgery Annual Meeting, Louisville, KY, September 16, 1997.
